

SEEDA Annual Open Public Meeting 2011

10:00 -12:00 Tuesday 13 December 2011
SEEDA HQ, Guildford

SEEDA's Annual Open Public Meeting is an opportunity to meet and put questions to our Board Members and Senior Executives. The focus of the meeting, which SEEDA has a legal obligation to hold, will be to discuss the economic development opportunities for the region going forward, as part of receiving a report on the Agency's progress towards closure following the Government's decision to close Regional Development Agencies by 2012.

If you would like to attend, please email emmacrickmay@seeda.co.uk with your name and postal address or call 01483 501369 for further details.
