

Freedom of Information Request – details of contractors etc.

Thank you for your request dated 18th July 2011 and made under the terms of the Freedom of Information Act 2000. Your request to SEEDA is:

Please may I request an up to date list of subcontractors, contractors and suppliers that have been scheduled to work on the construction 1640 Commercial/Residential Units to provide 39,246 sqm of marine-related employment space, 1,617 sqm of retail space, 100 sqm of office space, 1,895 sqm of food and drink units, 450 sqm of pubs/wine bars, 1,640 residential units including 400 units for affordable housing and three 20 storey residential tower blocks. Scheme also includes 1,770 sqm of leisure/health and fitness space and a community/health centre and library with public access to the waterfront and open space. Scheme includes access roads, sewer systems, infrastructure, landscaping and enabling works

Please note that we are unable to proceed with your request as we are not sure which SEEDA development or regeneration scheme your request relates to. We think your request may relate to the Woolston Shipyard development in Southampton - please would you confirm if this is correct?

Please note that we will be unable to proceed with your request until we have received clarification from you, please note that the period in which we are awaiting this information will not count towards the statutory deadline for us to respond to your Freedom of Information Act request.

NB – requested clarification was not forthcoming and therefore request was rejected by SEEDA on the 16th August 2011. Requestor notified and in informed they would need to resubmit request with supplementary evidence if they wanted to proceed.
